

Motorcycle-Cow Collision Fatal to Oakley Youth, 15

OAKLEY, Feb. 8.—A 15-year-old Oakley youth died at Cassia Memorial hospital, Burley, at 10:40 a.m. Friday as the result of head injuries received when he was thrown 30 feet in the air Thursday evening after his motorcycle struck a cow. The accident occurred about 6:45 p.m. Thursday two and one-quarter miles south of Oakley on highway 27. According to Deputy Sheriff Ray Mitchell, Gerald Ray Spiera, son of Gordon Spiera, Oakley, and Mrs. Emil Garber, Susanville, Calif., was riding his Honda motorcycle with a companion, Keith Mix, 16, also Oakley.

Hearing Held At Buhl for Bus Service

BUHL, Feb. 8.—Greyhound bus officials reported that they will support their application to discontinue bus service through Buhl at a hearing conducted by the Idaho public utilities commission here today.

Frank C. Scott, Boise, district superintendent of the Western Greyhound Bus line division, Friday morning introduced financial statistics to show why the company should abandon the intrastate bus service to Buhl via highway 30 through Filer, Buhl and Laramie.

Traffic Deaths

The third traffic death in Magic Valley occurred Feb. 8 as a result of an accident on Highway 27 in Cassia county.

Year	Deaths
1962	6
1963	9

Larry Sager, Oakley youth who was critically wounded in a shooting episode last Nov. 30 is now able to sit up and use a few words. He was transferred last week to the Elks rehabilitation center, Boise, from the LDS hospital, Salt Lake City, where doctors believed his chances of survival were "in doubt," according to his mother, Mrs. Ray Sager. He is shown with "Blue," the dog he has been able to handle constantly since the accident. His hunting companion, Gilbert Hunter, has returned to school.

Recovery Fund for Two Oakley Boys Ends With Feb. 12 Dance

OAKLEY, Feb. 8.—The Sager-Hunter recovery fund, which has now reached \$1,345, will officially close with a benefit dance at 8:30 p.m. Tuesday at the Rainbow hall, reports John A. Clark, secretary. Lud Moeller, Rupert, is donating his orchestra to furnish music for the evening. Contributions may still be given after the dance.

Grazing Hike For Western States Likely

WASHINGTON, Feb. 8.—An increase in fees for grazing livestock on public lands in the West appeared to be almost certain today despite the protests of stockmen.

Interior department officials stuck to their guns in defense of the planned increase as a senate interior committee hearing on federal grazing policies went into its second day.

Action Planned On Annexation

RUPERT, Feb. 8.—Plans to proceed with court action in the matter of the annexation of the city of Burley were announced this week by county commissioners, who instructed county attorney Larry Duff to continue the action begun soon after the Burley vote.

Strike Talk Is Joined by Brown

NEW YORK, Feb. 8.—Elmer Brown, international president of the printers' union, today joined the negotiations at city hall where public workers, union officers and city officials attempted to settle the 63-day-old newspaper strike.

1963 Chamber of Commerce Officers Introduced at Annual Banquet Here

Three hundred persons heard Jerry Cover, outgoing Twin Falls Chamber of Commerce president, introduce the 1963 chamber officers at the organization's annual banquet, Thursday night at the Francis restaurant.

Both Parties Join In Gem House to OK State Park Bill

BOISE, Feb. 8.—The Republican majority joined with Democrats in Idaho's House of Representatives today in a unanimous approval of a bill providing for creation of a state bureau of parks, Rep. Herman J. McDevitt, D-Bannock, said it provides a start toward creation of a unified statewide parks system, removed from politics, that will put an end to sectional competition for parks money.

Iraqi Rebels Claim Victory in Rebellion

TEHRAN, Iran, Feb. 8. (UPI)—Rebel armed forces staged a coup d'etat early today and claimed the overthrow of the government and the slaying of Premier Abdel Karim Kassem. But new heavy fighting was reported in Baghdad tonight. Baghdad radio and private telephone reports said rebel forces stormed the defense ministry in the Iraqi capital at 5:30 p.m. (9:30 a.m. EST), where 600 defending troops were holding out. Earlier, rebel broadcasts said that the defense ministry had been captured.

Chief Works On Message To Red Boss

WASHINGTON, Feb. 8.—President Kennedy is drafting a personal message to Soviet Premier Nikita Khrushchev, according to a White House official, in response to Khrushchev's promise during last October's missile crisis that the troops would be removed "in due course."

Skiing Good

Good skiing conditions were predicted for the week-end at three ski areas in Magic Valley.

Soldier mountain at Fairfield has an average depth of 20 inches and the road was graded Thursday. It should be in good condition and skiing is from good to excellent.

Potato Issue Might Go to Legislature

BOISE, Feb. 8.—The Idaho potato and onion commission is considering the question of whether or not to permit bulk shipments of Idaho potatoes and onions to the legislature.

Present Idaho law prohibits bulk shipments of potatoes and onions. It says that potatoes must be packaged. They can be shipped in containers or up to 100 pounds.

Department OK's Teamster Bond

WASHINGTON, Feb. 8.—The labor department said today that it has approved the bond coverage required by federal labor law.

Newest Polaris Weapon Readied

CAPE CANAVERAL, Fla., Feb. 8.—Polaris submarines, which will be the first of an advanced model of their nuclear weapon about 18 months from now.

Air Force Pilot Found in Jungle

RAISON, Viet Nam, Feb. 8.—A U.S. air force co-pilot missing since the crash of a C-130 transport plane in a jungle area in Laos, was found today in good condition in the jungle.

The plane was a C-130A, serial number 66-100, which was shot down by a North Vietnamese MiG-17 fighter on Feb. 25.

countries will eat and what the price will be.

meats to the six EEC-European Economic Community—or Common Market countries has dropped nearly 60 per cent in the last year.

It was over 29 million pounds a month at the end of 1961, only 15 million pounds a month at the end of 1962—and headed downward.

A principal reason for the drop was a 25 per cent price increase. This was caused entirely by new Common Market trade restrictions in the form of import fees.

Before the Common Market laid down its agricultural policy last August, American poultry—broilers, fowl, frozen and canned meats—could be landed in

passed by the last congress of his principal jobs will be work for removal or lowering all-EEC trade restrictions. This is done by filing what is known as article 23 proceedings under the general agreement tariffs and trade.

The United States already started such proceedings against

Europe at 31.4 cents a pound on the average. The Germans levied a 45-cent-a-pound tariff on that to protect domestic poultry raisers, but the 35.9 cent price was competitive with European wholesale prices.

Under the Common Market, the 45 cents duty has been dropped

These extras add up to 13.3 cents a pound. The price of American poultry delivered in

Europe, thus goes to 44.7 cents a pound average. This is far higher than EEC domestic prices. U. S. poultrymen can't compete with it and their European market is disappearing fast.

The U. S. government is kicking about this, naturally. It wasn't mentioned in the official

Europe this year to 4.7 cents a pound average. That's far higher than EEC domestic prices. U.S. poultrymen can't compete with it and their European market is disappearing fast.

The U.S. government is kicking around the idea of subsidizing meat mentioned in the official report.

...to the case of France, United States might import port fees on such things as — French wines, goose liver and cheese. That would create a market for who would chicken the first to cry "Sam!"

World Columns

By PHIL NEWSON
(UPI Foreign News Analyst)

The American-trained and equipped 650,000-man army of the democratic republicans party, who left the army early in June, to become chairman of the organizing committee of the democratic republican party.

the Republic of Korea is the strongest anti-communist military force remaining on the continent of Asia.

It further is stated: U. S. policy that "the independence of the Republic of Korea is a vital interest of the United States."

General Park and other members of the military government intend to replace their military uniforms with civilian attire and enter the new government as civilians.

Opposition came from the

[illegible]

from military to civilian government and also some consternation. At the moment, the Republic of Korea, more popularly known as South Korea, is ruled by a

military regime which seized power in a pre-dawn coup on May 16, 1961. It is headed by Gen.

military regime which seized power in a pre-drawn coup on May 16, 1961. Park Chung-hee, who has promised presidential elections and a return to civilian rule by August 15 of this year.

Dangerous rift among Korean military units with opposing ideas about Korea's political future came into the open in late January and was patched over only by the personal intervention of General Park.

But Park's leadership was thinning. Chung-Pil Park was thinning with being the brains behind the military side of the regime's propaganda programs.

Rousing the fire of opposition both inside and outside the army, he was charged by General Chung-pil had used the secret police to set up his own political party and had placed his men in party posts.

Chung-pil pleaded he had been "misunderstood," and when the chips were down General Park came to his rescue.

The military regime's plan to restore civilian government is spring from motives pure as driven snow. But right now many would bet on the success of their political opposition.

**SIMPLE HAND
REQUIRES SKILL**

Today's hand caused a mild argument between Edgar Kaplan of the card school of New York and myself. He claims the hand is simple, but I contend it is far from it, even when you see all the cards.

NORTH ♠
♥ KJ2
♦ 837

After hearing the first two declarer will want to lead diamonds right away. If he shifts to a heart South will go with the ace, play three rounds of trumps stopping the hearts and discard four losers on diamonds to wind up with an overtrick.

If East leads a club and shifts to a heart, South will make an overtrick. The best defense is for West to play the ace of hearts.

NEW PRESIDENT of the Twin Falls Association of Insurance Agents, William Delander, left, is congratulated by U. N. Terry, outgoing president. The group elected and installed officers Wednesday evening at Kaya's Supper club. Other officers are Joseph Salisbury, vice president; C. D. (Chet) Hill, secretary-treasurer; and Thomas Peavy, a three-year director. John Anderson and John Robertson, are hold-over directors and Terry will serve on the board as a past president. Twenty agencies from Twin Falls county were represented at the meeting. (Times-News photo)

YOUR BIRTHDAY and HOROSCOPE

—FRIDAY, Feb. 8— Born today, you have a quick, active mind that is equally at home with fact or fancy. Highly imaginative, yet extremely practical, you have a need to translate your own "visionary" world into reality. Fortunately, you have been gifted with more than a little talent for the written word and, if you cultivate it properly, and give it the time it requires to develop, you can provide your own outlet through the use of the pen.

Highly original, you have the richness of mind and the readiness of tongue to enliven almost any situation, particularly one of a social nature. You should never lack for companionship. Indeed, there may be times when you have too much of it, for most people to it than it can be possibly accommodated.

Affectionate and loyal, you do not take personal contacts lightly. Not one to toy with others' feelings, you expect that others should not toy with yours and are hurt if they do. But don't let this trait grow into one of oversensitivity, or you may find yourself spoiling perfectly good relationships.

Among those born on this date are: Jules Verne, science-fiction writer; John Ruskin, author; William T. Sherman, Civil War Union army general; Lana Turner, actress.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Saturday, Feb. 9
AQUARIUS (Jan. 21-Feb. 19) — You may have to make the best of a bad bargain today. Take things in stride. Look for a good deal.

PISCES (Feb. 20-March 20) — Joint projects necessitate joint responsibility. Don't team up with one not willing to pull his own weight.

ARIES (March 21-April 20) — If you must disappoint someone dependent on you for support, use tact and avoid making an enemy.

TAURUS (April 21-May 21) — Don't put all your eggs in one basket. Limiting yourself to one line of action could cause missed opportunities.

GEMINI (May 22-June 21) — Hold your head high today no matter what is guided by your own sense of honor and all will be well.

CANCER (June 22-July 23) — You can't have things both ways at once. Decide how you want

the chips to fall; then give them a push!

LEO (July 24-Aug. 23) — Gains to be made on every level today. Maintain highest efficiency and an air of quiet for best results.

VIRGO (Aug. 24-Sept. 23) — In leisure hours, turn to the things you know and love best. Keep hands-off things mysterious.

LIBRA (Sept. 24-Oct. 23) — Join others for a day calculated to increase your knowledge. Interjection of little use today.

SCORPIO (Oct. 24-Nov. 23) — Meet domestic difficulties head-on. Problems not brought into the open tend to multiply inwardly, so take care.

SAGITTARIUS (Nov. 24-Dec. 23) — Difficulties in personal relationships could be decreased considerably by an effort to see things from the other side.

CAPRICORN (Dec. 24-Jan. 23) — Accomplish necessary chores in A.M. Schedule as much as possible for P.M. and evening when flexibility is needed.

Eight Nominated For Academies
Eight Magic Valley youths are among the 21 nominated by Rep. Ralph Harding, D., Idaho, for appointment to the air force academy and the merchant marine academy. Vacancies at the academies will be filled on the basis of a competitive examination. They include Robert E. Bruce, Jr., Jerome; Leslie J. Van Every, Jr., Co. Haden; and Rodney Smith, all Rupert; Robert D. Herron, Twin Falls; Clarence Phillips, Declo; Dennis C. Sweeting, Paul, and Jerry F. Decker, Filer.

Annual Meet- Of Chamber Held in T.F.

(Continued from Page 1)
Telephone and Telegraph com-
pany.
Heckman, who was a telephone
executive in Idaho for many
years, spoke on "What kind of
freedom do we want?" His topic
referred to the conservative
charge that socialism gives a
man freedom from want, work
and liberty.
Heckman, who feels economics
is far too much for the boys,
said school children and their teach-
ers, said economics must be un-
derstood by the general public
if they are to continue to sup-
port the established principles of
the enterprise.
Quoting E. H. DeLoach, Jefferson,
Mill and Marx, he
invented that profits have become
a dirty word... the man on the
street is "against profits but sup-
ports private enterprise."
Heckman, describing evil "so-
cialism," pointed-out that Marx's
doctrine is not socialism. Socialism
is capitalism, but not the capitalism
of 1963.
He asked how companies could
be expected to advance with the
times if the entrepreneur were
not permitted profits, which he
defined as "the cost of money."
Heckman belabored recent ad-
monitions for their attitude
that the government should do
"everything" for the citizen, and
warned that this nation must
limit the power to tax, because if
present trends of deficit spending
and a growing national debt
power continue, "we are lost!"

WINNING FIRST place, honors in the Future Farmers of America swine judging contest held Thursday at Piler are the members of the Castleford high school FFA team. They are, from left, Jerry Griggs, Dennis Harp and Curt Darrow. Each team was required to judge three classes of swine including two

pen of Yorkshire gilt and one pen of marketable barrows. In addition to the winning FFA team, three members from county FFA clubs also placed in their division of the contest. The contest is an annual event held in conjunction with the South Central Idaho Swine Breeders Sale. (Times-News photo)

News Around Idaho

**BOISE, Feb. 8 (U-Sen. Don McLeod, D-Lewis, announced Thursday that the Democratic Jefferson-Jackson day banquet in Boise will be held Feb. 23, instead of Feb. 22, as originally an-
nounced. McLeod said the banquet would be held at the Idaho state senate. Lloyd Walker, Twin Falls, state democratic chairman, had announced earlier that the speaker at the banquet would be U. S. Sen. Hubert Humphrey, D-Minn.**

"MOUNTAIN HONEYS, Feb. 8 (U-Senators are scheduled to take a look at a H-1 missile installation. Col. Charles A. Alford, base commander, said the legislators will look inside a B-47 bomber and a KC-135 tanker. Members of the house are scheduled to take the tour Sunday and the senate Feb. 16.

BOISE, Feb. 8 (U-Senators on Thursday visited the flood victims of the Boise river. The national flood relief committee is in town. The committee, planned in conjunction with Idaho's observance of the 100th anniversary of the Boise river, is scheduled June 11-12.

IDAHO FALLS, Feb. 8 (U-Senators on Thursday described as "a major job" O'Driscoll, which will include a number of improvements, was proposed Thursday for 1963. It will total about \$20,000 less than the all-time record 1962 Idaho Falls budget. This is a record of \$4,000. This is the first year that the city's budget has been under that of the preceding year, despite population growth. O'Driscoll said the city proposes to operate on a "no deficit" basis, which is the same as the 1962 calendar year and the 1961 fiscal year.

BOISE, Feb. 8 (U-Senators on Thursday had a balance of 12.1 million dollars in the red according to a joint report released Thursday by State Treasurer Marjorie Moon and State Auditor Joe Williams. The report showed a treasury balance of 12 million dollars. Outstanding warrants amounted to 12 million dollars, leaving an actual general fund balance of 12.1 million dollars. The report said, Outstanding orders for the general fund totaled 12.1 million dollars leaving a general fund balance of 12.1 million dollars.

News of Record

TWIN FALLS COUNTY
Twin Falls Police Court
John Holton and J. V. Murphy, each \$25 and costs for public intoxication.

CASSIA COUNTY
Burley Police Court

Justice Court
William Pennington, Hebert, and Delbert E. Sutliff, Ruby, \$5 each, failure to register; John Morgan, Burley, \$5 for failure to register; John C. Doane, Rupert, \$5, expired driver's license.

Probate Court
David Garner appeared before Judge Vern Carter for preliminary hearing on a charge of writing a check with insufficient funds. He was bound over to district court for trial. He posted \$100 bond.

JEROME COUNTY
Probate Court
Larry Palombus, Jerome, was fined \$50 and costs and sentenced to 10 days in jail for purchasing from produce without a truck buyers license. Palombus purchased \$171 worth of hay from Anthony Plumbus, and Mary and Bernita Neave, son and mother.

Jerome was given 10 days to pay for the hay. If he pays the farmers the 10-day sentence.

Boy Drowns

SALT LAKE CITY, Feb. 8 (U-S) A six-year-old boy drowned here Thursday evening when he became a pup which was foundering in an open swimming pool.

The boy, Paul Olson, son of Mr. and Mrs. Paul Olson, apparently came upon the puppy after it had wandered out on a sheet of thin ice at the edge of the pool.

The puppy fell through the ice and so did Paul when he tried to save it.

Swine Judging Contest Won By Castleford's FFA Team

PILER, Feb. 8 (U-Senators of American chapter walked with top honors in judging at the annual South Central Idaho Swine Breeders sale held here Thursday.

The three men from Castleford judging three classes of swine during the judging session of the sale.

Sieve Peterson, Kimberly, representing the Pleasant Valley FFA club placed first with 270 points.

Wade Wells, University of Idaho extension animal husbandman, served as judge in the event for the youth.

Clark Mills, representing the swine breeders, presented the awards to the winning youth.

According to Castleford FFA instructor, the students look forward to the event each year and competition is keen.

The three students making up the winning Castleford team are Jerry Griggs, Dennis Harp and Curt Darrow.

Local Pastor Is Delegate To Conclave

Elder D. L. Ringier, pastor of the Twin Falls Seventh-Adventist church, will attend the 11th quadrennial session of the North-Pacific Union at the church Monday through Thursday in Portland, Ore.

Ringier, an official delegate-to-the-conference, said attendance is expected to be about 800, with 225 official delegates representing 45 local conferences in Oregon, Washington, Idaho, Montana, and Alaska.

Purpose of the session is to elect executive and departmental officers of the North-Pacific conference for four-year terms.

Policies also will be adopted to govern the work of the denomination's 308 churches in the northwest and the church's educational and medical institutions.

A ministerial seminar and evangelistic council will be held in conjunction with the convention.

Permits Issued
GOODING, Feb. 8 - Two building permits were approved by the city council at a meeting this week at the city hall.

A permit was issued to Fred Locke for remodeling in the amount of \$3,000, and to Dean Glean for a utility room in the amount of \$1,000. A master plumber's license was granted to R. J. Piper, Jr.

8 Buildings At Air Base To Be Sold

MOUNTAIN HOME, Feb. 8 (Special)—Eight miscellaneous, surplus buildings at Mountain Home Air Force Base are being offered for sale by the U.S. Army Engineer District, Seattle, for removal from the reservation and sale to the public. The buildings, located in the Seattle office at 2 p.m. March 7, are two of the buildings formerly used as headquarters buildings, and four were used for various purposes. All are of wood frame construction and are in good condition. They are located on a 10-acre tract, and are situated near the main entrance to the base. The buildings are being sold for \$100,000. The sale will be held at the base on March 7, 1963.

Speech on Japan Given in Declo

DECILO, Feb. 8—Murray Jensen, who has been employed for the past nine years as manager of the Everett Steamship company in Japan, spoke on economic conditions there at the weekly Kiwanis club meeting at Min's cafe. Mr. and Mrs. Jensen are visiting their son-in-law and daughter-in-law, Mr. and Mrs. Fred Preston, in Declo. Jensen, who is a native of Japan, has been in the United States for 10 years before coming to Japan. He is now a resident of Declo. Jensen's speech was well received by the club members.

ATTEND FUNERAL—Declo: Feb. 8—Mr. and Mrs. Dean Ockberry and Charles Ockberry went to Aberdeen Wednesday to attend funeral services of a brother-in-law.

Mrs. Lloyd Hamilton Will Be Soloist for Tuesday Concert

Mrs. Lloyd Hamilton, Twin Falls pianist, will be guest artist for the Twin Falls Civic Symphony concert at 8:15 p.m. Tuesday in the junior high school auditorium.

She will play "Piano Concerto in A Minor" Opus 54 (1. Allegro affettuoso; 2. Intermezzo; Andantino grazioso; 3. Allegro vivace) by Robert Schumann, with orchestra accompaniment.

Mrs. Hamilton, the former Nina Kinsch, was reared in Sugar City, She started studying piano at the age of 12 under Betha Cutler Bevilacqua.

During her high school years, Mrs. Hamilton studied with William Hillier, professor of piano at the University of Idaho where she was a student of Isabel Clark and Hal Macdonald, and where she became a member of Sigma Alpha Iota, national honorary music fraternity.

When her family moved to Utah, Mrs. Hamilton attended the University of Utah, Salt Lake City, and studied with William Peterson. She accompanied the university glee club and civic organizations.

She also did a great deal of teaching for various music instructors and for many vocal and instrumental soloists and groups.

One of her largest accompaniment assignments was at the McCune School of Music. For two years she sang with the "Salt Lake Tabernacle choir."

In 1938 Mrs. Hamilton represented the National Parks district at the young artists' convention at the convention of the National Federation of Music Clubs in Baltimore, Md.

In 1941 she was married to a high school sweetheart and moved back to Idaho. Eight years ago the Hamiltons moved to Twin Falls where he is in the insurance business.

They are the parents of seven children. Tickets are now on sale at the insurance business.

Selections by the orchestra include "Bolero Musical," suite of five movements from Rossini; 1. March; 2. Canzona; 3. Trovatore; 4. Bolero; 5. Tarantella; arranged by Benjamin Britten.

Pasadena Club Finishes Signs

KING VALLEY, Feb. 8—Pasadena Valley Livestock 4-H club members finished their identification signs this week when they met at the Pasadena recreation hall.

Members have been working on their signs for some time and now will erect them in the driveway at their parents' homes.

They also finished their boxes to keep their livestock equipment in and some of these were painted. On Feb. 17 they will meet to finish the painting project.

The next regular meeting will be held March 3 at the Pasadena hall. Refreshments were served by Judy Trail and Rocky Trail.

Singspiration Is Held at Wendell

WENDELL, Feb. 8—Eunice "Singspiration" was held for a "Singspiration" for a meeting of the congregation of the Baptist church this week at his home.

Piano accompaniment was by Mrs. James Holt and Max Scruggs, with Sarge Vernon playing the guitar and Earl Justice the violin.

The Rev. James Holt, pastor of the church, used "Singspiration" as the topic of his sermon. At the meeting, members called friends on the telephone and sang sacred songs for them.

Shopping center and they will be available at the door the night of the concert.

Jack Edwards Nominated to Director Job

SHOSHONE, Feb. 8.—At the Lincoln county division meeting of the Idaho Dairyman's Assn., held Tuesday noon at the Monticello cafe, Jack Edwards, Dietrich, was nominated director for a three-year term.

The nomination will be confirmed at the annual meeting of the Idaho Dairyman's Assn. in Jerome Feb. 16.

Edwards acted as master of ceremonies for the meeting, attended by 72 persons.

J. J. Jagers, club president of the firm spoke on the Challenges organization. He serves as president of the Challenges board of directors at this time and was recently elected to the Idaho Dairyman's Assn. board of directors.

Cliff Marcum, Boise, head of the Idaho Dairyman's association for Idaho and representative to the American Dairyman's association, spoke on the organization, explaining what it does for the farmers associated with it.

Willard Jerome, production manager of the Jerome creamery, spoke on cheese, explaining its origin and use.

John Smith, Jerome, manager, reported on the past year's business, and Frank Smith, office manager at Jerome, told of new office equipment there.

An informal question period was held.

Report Given On Sheep in Lincoln Area

SHOSHONE, Feb. 8.—The sheep business in Lincoln county was much better this year than previous years, according to J. Howard Manning, county commission chairman. The Lincoln County Marketing association sold 55,241 pounds of wool at \$2.18 for a total of \$23,241.

County business in the county is limited to a few growers, but in years like this, the extension agent points out. Six brother growers raised a total of 35,000 pounds a year.

Eric Hubert raised 8,000; Willard Hubert 9,000; Roy Hubert 22,000; Bill Paulson 21,000; Parley Clegg 25,000; and Walter Bowman 27,000.

The production, except for small farm flocks, is taken care of by Glenn Ross and Eugene Alexander, Richfield. They try to keep 300 to 500 head trying.

CARETAKER
WASHINGTON, Feb. 8.—The agriculture department estimates the rice carryover on Aug. 1 will be nine million bushels, a 10 percent increase from the 5.3 million hundred-weight carryover last Aug. 1.

1 Simplot

Ammonium Phosphate Will Do The BEST JOB FOR YOU

Most crops need both Nitrogen and Phosphorus. Simplot Ammonium Phosphate fertilizers offer three ratios of these two primary plant foods, chemically combined, for easy accurate application.

Uniform pellets that don't break down to dust, guaranteed analysis, high water solubility and maximum crop response are advantages of all three Simplot Ammonium Phosphates: 16-20-0, 11-48-0 and 16-48-0.

See your nearby Simplot dealer for the one best suited to your soil and crop. You'll be money ahead at harvest time.

NEARING THE END of the season is the Amalgamated Sugar company plant east of Paul. According to Wayne G. Bachman, manager, the plant will run about a week longer this year. Operations began Oct. 2 and will conclude later this month.

Sugar Plant Near Paul Ending Run

PAUL, Feb. 8.—The Amalgamated Sugar company here has an average of 3,000 tons per day, handling all beets grown on the north side of the Snake river to the Jerome-Gooding areas.

In the Jerome-Spokane area, alone over 30,000 acres of beets were grown this past season, according to Wayne G. Bachman, manager. The high sugar content brought about by a good growing season will push the output of 100 pound bags over the 1,500,000 mark, Bachman said, with the one millionth bag expected to be sacked this Saturday. The average daily output is 8,500 bags.

Last year, the plant produced 920,000 100-pound bags. The plant began slicing beets Oct. 1 this year, and employs 225 workers. The manager said that they expect to run until the middle of February, or about a week longer than last year's campaign.

Wool Growers To Sign by March 31

Wool growers are reminded that the 1962 program payments will be made this summer, will be made on wool and unshorn lambs which are marketed before March 31. That is the closing date for the 1962 program.

Carl Boyd, chairman, agricultural stabilization and conservation county committee, also pointed out that applications for such payments under the 1962 wool program are to be filed before the end of April.

He emphasized that the information on payment applications is to be supported by adequate records on the sales.

SIMPLOT SOILBUILDERS
733-4502
JEROME TWIN FALLS RUPERT BURLEY

The plant alone an average of 2,000 tons of sugar beets per day and handles all sugar beets grown on the north side of the Snake river to addition to the areas around Borley. The Borley Report area produced more than 20,000 acres of sugar beets.

More Water Listed in Magic Reservoir Than Year Ago

SHOSHONE, Feb. 8.—Wednesday-morning Magic reservoir contained 150,000 acre feet of water, compared to 20,000 acre feet a year ago on this date.

According to Rind Newby, Little and Big Wood river water-master, extreme high water running off Camas prairie swept out the small concrete gauging station used to measure Camas creek.

The estimated peak flow of 12,000 second feet or approximately eight times the minimum Gooding canal flow. Monday he reported that it still was flowing 1,000 second feet. This is an increase of 57,100 acre feet in the Feb. 8.

During the extreme high water in Little Wood river, he jammed on a bridge two miles east of Shoshone, causing the river to run over its banks into the concrete flume north of Shoshone. Since the flume was running over, water collected on highway 24 just north of Shoshone, severing traffic for a short time.

The extreme high water and ice again caused Little Wood river to break into the head of the Little Wood river, which in turn broke the lower bank and was starting to flood into the Walter Bowman ranch. A party of seven men drove up through mud Sunday night and blasted the canal bank to let the excess water out into the brush on Polson flat.

The party making the trip included Gene Coffman, Robert

More liberal depreciation allowances on machinery and equipment, announced in mid-1962, accounts for a greater price in depreciation write-off. The treasury's new Depreciation and Guidelines and Rules cut from 30 to 40 per cent the useful life of machinery, resulting in an estimated tax cut liability of 1.5 billion dollars a year.

Ballard, Glenn Nelson, Eddie Hatch, Art Thibault, James McClure and Leon Grieve. The task was completed around 4 a.m. Monday.

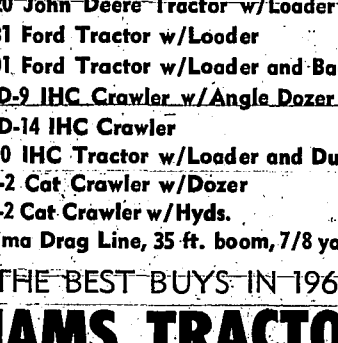

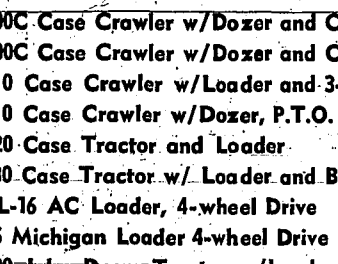

Cattle Group Honors Idaho With Theme

Honoring Idaho's 1963 centennial year with the theme, "The Century Ahead," the fourth annual meeting of the Idaho Cattle Feeders association is scheduled Feb. 15 and 16 at Pocatello, where Ralph Olmstead, Twin Falls, president of the association.

Major emphasis at the meeting by the speakers and panel discussions will be on the economic aspects of agriculture and cattle feeding, according to Robert McKinn, Pocatello, vice president and general chairman of the meeting.

At the annual banquet, Feb. 16, the featured speaker will be Walter Garver, manager of agriculture and natural resources department, U. S. Chamber of Commerce.

The panel discussions will be frozen solid and the water from the incorporating small farms, incorporated small feed lots, preparation of corporate income tax returns, financing feed lot operations and establishing heirships.

Hailey Rancher Glad He Followed Advice on Dam

HAILEY, Feb. 8.—It was hard to convince John Fox that he needed a 23-foot spillway, leading from the reservoir, built at a distance of about half a mile from the mouth of Quigley gulch last summer.

Other ranchers who looked at the structure were also skeptical. But Fox took advice of the local soil conservation service authorities and built the spillway.

Anyone viewing the structure the past week will never again argue that a large spillway isn't needed. The Fox spillway carried the 22,000 inches of water which raged over it after the 12-foot dam with a capacity of 19 acre feet, was filled to capacity. The water was over two and one-half feet of ground.

The Fox house, about a mile down the gulch from the reservoir, however, can be easily stepped over at this point.

When Mr. and Mrs. Fox arose at 8 a.m. last Monday they saw their water running. Looking in their basement they saw four feet of water around their turn-of-war, water heater, and covering many articles such as a cedar chest filled with clothing.

The entire 22,000 inches of water going over the spillway was flowing into and around their home.

William Moody, Floyd Dornan of the soil conservation office, Newburg, was in the Shoshone county agent, Rex Bralleville of the ASBC office, and other friends were at the ranch within half an hour and threw up a barricade of baled straw, hay and sand bags around the house, halting the river to the south, where it flowed on down through the Fox field, over the Masonic building on down the east side of the Little Wood river, and on into Silver creek near the May Spur Fish hatchery.

After the water had turned away from the house Fox went to his upper reservoir about four miles up Quigley gulch, which is reserved for a youngsters fishing pond during the summer months.

Here he found the eight-foot spillway from the reservoir was frozen solid and the water from the overflowing dam was eating back into the dam at an alarming rate.

County Commissioner Jack Reichert sent the large county

Erosion Strikes Plains Section

WASHINGTON, Feb. 8.—The first report of the erosion this season, which started about March 20, has been from the Great Plains have been damaged by wind erosion.

The bad weather damaged 27,500 acres of cropland, 10,000 acres of range land, and 10,000 acres of other land.

All except 200 acres of the damaged land was in the northern Plains. Montana reported 10,000 acres, North Dakota 10,000 acres, South Dakota 10,000 acres, and Nebraska 10,000 acres.

Reduction in Spuds Sought During 1963

WASHINGTON, Feb. 8.—The department of agriculture has recommended that growers reduce acreages of summer and fall potatoes this year.

The department recommended specifically that growers reduce early-summer potato acreage by 100,000 acres from last year's late-summer potato acreage by five per cent, and fall potatoes, their summer and fall crop combined will total 22.4 million hundredweight. This would be seven per cent smaller than the large production in 1962 and 13 per cent below the record tonnage in 1961.

If growers follow the department acreage guides for all potatoes, summer and fall crop and fall — the crop would be about 20 million hundredweight. This is 10 per cent smaller than last year's total potato crop of 20.3 million hundredweight.

WRIGHT POWER BLADE SAW

Your choice of 2 models priced from \$139.50

Introducing the F.R. Sawblade. Offer now. See it now.

No dangerous chains — sharp like a grab.

Cuts extremely fast — 100 ft. in a second.

This saw is perfect for all types of brush, vines, weeds, and small trees.

Also Chain Saws, FORDYCE FENCE CO., 715 Main St., TWIN FALLS.

NOW SIX NEW MANURE SPREADERS

to match your farm, herd, and tractor power

New No. 103 (shown above) with exclusive "Hill-Crow" single-beater that tears, shreds, and widens — ... throws low, wide — ... chutes disintegrates New V-belt drive delivers PTO power smoothly, quietly — ... no noise — ... no vibration — ... design speed loading. Ruggedly-built to take 100-bu. loads and has all-steel sides, tough wood floor, extra-long life apron chain ... yet it's priced low!

Plus 5 other PTO and ground drive models — 75 to 150 bu. with paddle or spiral widespread — ... all built for fast, efficient big-load spreading in all conditions. Wood bottom and steel-flared wood sides are 24-in. treated for long life. New apron chains stand up under repeated heavy loads. Built low with no rear arch for easy loading. Choose the one that's sized right and priced right for you!

Future for Dairying Is Jerome Topic

JEROME, Feb. 8.—"The future of dairying in Idaho depends upon expanding its markets for our dairy products and in producing dairy products at a highly efficient level," Cliff Markuson, manager for the American Dairy Association in Idaho, said at the dairy short course last week in Jerome.

He outlined the work being carried out to sell and advertise the dairy foods as an aid to a balanced diet. This work is being supported by about 75 per cent of the Idaho dairymen, he said.

On a national scale it has a budget of about seven million dollars. This is about one tenth as much as is spent by one soft drink company on advertising for one soft drink, Markuson stated.

He pointed out that the advertising work recently done has been centered around areas of intense population with the major emphasis being placed upon trying to reach the buying consumer. The research money has been devoted primarily towards trying to find the true relationship between dairy products consumption and human health.

He said that by necessity this has involved a study of the relationship of dairy products and heart troubles. The statement published by the American Medical Association in August, 1951, which related dairy products of the major brands for 1950 to the incidence of heart disease, was a result of the work, study and finances sponsored by the American Dairy Association.

Dr. K. R. Johnson, University of Idaho, discussed dairy breeding efficiency. The optimum condition is to have a dairy cow freshen every 12 months. The national average is every 17 months.

Dr. Richard Ross of the University of Idaho showed that 18 months in freshening there is a production loss of one dollar. At present prices, one-half cow produces as much as 43 cows producing at an 8,000-pound milk level. Along with this profit there was nearly one-third less total milk produced.

He also described and explained the proposed dairy science center of the University of Idaho which has been planned to replace the old center now located near the student housing facilities.

WORLD'S FASTEST grain handler is scheduled to be opened this spring. The structure, part of Montreal grain elevator, is capable of handling grain faster than any other similar structure. The elevator is one-fourth of a mile long, 232 feet high and can hold five and one-half million bushels. It was unloading a large grain-carrying freighter holding more than a million bushels in less than a day. At the same time an ocean freighter can be filled at another part of the elevator. Total cost of the elevator is 16 million dollars and it's part of a 130-million-dollar improvement program at Montreal port. (AP wirephoto)

NEW ENTRY INTO the low-price field is the "1010" Special row crop utility tractor by John Deere. The new tractor features a gasoline engine and develops over 25 horsepower. The model has been shipped out of many of the extra to keep the cost down. This essential for road, efficient, however, can be found on the "1010" model.

John Deere Offers Special Economy Model Tractor

NEW YORK, Feb. 8.—A new "1010" Special row crop utility tractor has been announced by John Deere. The new tractor features a gasoline engine and develops over 25 horsepower. The model has been shipped out of many of the extra to keep the cost down. This essential for road, efficient, however, can be found on the "1010" model.

In position by springs. Either hand- or foot-operated—replaced in an instant, without tools. Optional equipment, besides the cushion seat, includes a standard swingling drawbar, PTO stubble, hydraulic control and breakaway coupling for a "remedy cylinder" and "sealed beam headlights and rear view mirror" and by standardizing.

Available only with gasoline manual steering manually adjusted rear seat. A five hydraulic system, point hitch with load-and-control, 540 rpm PTO, 12-volt battery and generator, rear temperature and oil pressure gauges and oil pressure indicators. While a formed steel seat is standard, a "spring-cushioned" seat is offered as optional.

A special company favor with the regular "1010" row-crop utility in power, ground clearance, weight and ability. It is of low-profile for extra hillside stability and for close-quarters work in and around sheds and buildings. However, it has wide-spread clearance in advanced crop with a mounted cultivator. It is the full farming job on family-sized farms since it has a full line of drawn, and pickup tools as well as seed loaders. For larger uses, it offers economical for many jobs as a "tractor."

A special offers several repairs and improvements in design and performance which common to other John Deere series tractors for 1963. Among these refinements designed heavy-duty transmission, providing a new range of matched ground speeds. A new shift lever is centered on the transmission. Gears may be shifted with either hand. A variable-speed cylinder with short-stroke, wet design is the same as on "1010" gasoline tractor. Internal parts are changed of all John Deere engines.

A hand throttle is in a new position at the right of the steering column, for easy reaching the right hand. A new gear and new throttle linkage design, the new president of the National Row Crops Association at closing sessions of the annual convention here, replacing Penrose D. Metcalfe, San Angelo, Texas. Metcalfe served two terms.

ELECTED LAS VEGAS, Feb. 8.—W. Hugh Baker, Chico, Calif., became the new president of the National Row Crops Association at closing sessions of the annual convention here, replacing Penrose D. Metcalfe, San Angelo, Texas. Metcalfe served two terms.

Meeting

EDEN-HEZELTON, Feb. 8.—The South Central Idaho Holstein association will hold a special meeting 8 p.m. Monday at the Idaho Power company auditorium in Twin Falls, announces Mrs. Gordon Martin, secretary.

The meeting is open to all persons interested in the dairy industry. Van Youngquist, fieldman for the national association, will be the guest speaker. In addition, Henry Drury, Preston, will be on hand to discuss local problems. Drury is the state chairman.

Board to Meet

SHOSHONE, Feb. 8.—The advisory board for the Bureau of Land Management will meet at 9:30 a.m. Friday, Feb. 15, at the courtroom of the courthouse.

Purpose of the meeting, according to Dale H. Kinnaman, district range manager, is to re-consider as result of the Jan. 17 meeting when the board made view any protests which may be recommended for range management.

Farm Bureau to Battle Wheat Referendum Vote

CHAMPAIGN, Ill., Feb. 8.—The basic issue in the forthcoming national referendum on the administration's wheat control certificate scheme is whether the same America is to be managed by farmers or a government bureaucracy, says Charles E. Shuman, president of American Farm Bureau Federation.

"Only wheat is directly involved at the moment," Shuman said, "and only wheat producers can vote, but all farmers, consumers and taxpayers will be affected by the outcome."

Approval of the certificate scheme would be the opening wedge for controls on feed grains, livestock, dairy and poultry production.

"In the 1963 referendum, producers for the first time must face up to the question of whether they really want to go down the government supply-management road to a licensed and regulated agriculture. The alternative is to vote 'no' and move away from programs that fix prices and ration the right to produce," Shuman said.

The national farm leader termed the "scare tactics of Secretary Freeman to persuade wheat farmers to vote for the wheat control scheme," as "the act of a desperate man who real-

Minico Jumps to Lead in Fourth District Mat Tourney; Buhl Follows

RUPERT, Feb. 8.—Defending champion Minico, losing only one wrestler along the way, jumped into the lead in the opening session of the class A fourth district wrestling tournament Tuesday night. The Spartans lost out only in the heavy-weight classification in racking up 48 points. The Buhl Indians took second place with 36, followed by Twin Falls 35, Burley 32, Gooding 22, Valley 20 and Filer 4.

Duck Cagers Invade Vandal Gym for Pair

EUGENE, Ore., Feb. 8.—Oregon's dangerous Ducks, fresh from a two-game split with powerful California at Berkeley, invade Moscow Friday and Saturday to battle Idaho and fabled Gus Johnson, The Webfoots head into the two-game series with a 7-9 record, while the Vandals are 15-3, the best mark of any Northwest team.

Duck Show Proved Not Inhumane

Duck coach Steve Belko, himself a former professional wrestler, said the series, open but most experts are guessing he'll stick with the team. Belko pulled out the 60-55 win over California last week. That's the 6-foot, 5-inch Steve Jones and 6-foot, 4-inch Jerry Anderson at forwards, 6-foot, 5-inch Glen Moore at center and 5-foot, 11-inch Bob Yates and 6-foot, 3-inch Elliott Glendon at guards.

Probably Idaho starters are the fantastic Johnson at center, Tom Whitely and Chuck White at forwards and Rich Porter and Lyle Parks at guards.

"Idaho will be tough, particularly at home," noted Belko, "but we won against pretty big odds at Berkeley."

The Duck coach also noted that reserve forward Ron Hanson was in line for more extensive duties after a solid relief effort in the second California game.

Hanson, incidentally, was a teammate of Johnson's last year at Boise Junior college.

In an earlier series at Eugene the Ducks swept both games, a memory the Webfoots would like to erase this week-end.

Wake Forest Offers Negro Scholarship

WINSTON-SALEM, N.C., Feb. 8.—Wake Forest football coach Billy Hildebrand says an athletic scholarship is awaiting Negro Benjie Bledsoe, the 17-year-old son of a Baptist minister, if he can meet the school's academic requirements.

Bledsoe, a 6-foot, 160-pound, 4-inch halfback at Barr Street Negro high school in Lancaster, S.C., visited the Wake Forest campus Wednesday with his coach, Roosevelt Gilliam, and several friends.

"If Benjie passes the college board exams and is accepted by the college, then he'll get a scholarship," Hildebrand said. "It just depends on him."

Wake Forest, a Baptist school which has been an integrated school body for about a year, announced last week, along with Maryland, that it would actively seek Negro athletes.

Maryland coach Tom Nugent said that Terry Hill, a transfer from the Naval Academy, has a poor chance of making his varsity this year.

No Negro has played on Atlantic coast conference football since 1944.

Hildebrand said he has never seen Bledsoe play football, but he has seen him practice his football.

"Enough people have told me what Benjie can do on the football field and I believe them," Hildebrand said.

T. F. Hosts Southern Section State Rifle Crown Tournament

Southern section of the Idaho state gallery rifle championship tournament will start Saturday and Sunday at the Twin Falls Rifle Club facilities on Washington street north at the canyon. Southern section secretary Grant Sanborn, Twin Falls, said this is a new plan for allowing the greatest number of competitors to compete in the state tournament and also reduce traveling. He said the northern section will be conducted at Sandpoint and the scores will be combined to decide the final champions.

The tournament field will be divided into several teams with the first and second rounds alternating until the round of matches is completed. Relay three and four will conclude their shooting by Saturday evening with relay five and six beginning at 8 a.m. Sunday.

Entries have been limited to 50 of each rifle and 25 of each shotgun. Sanborn said it is a small boys-and-girls-type affair.

The schedule of competition will be match one, 20 shots prone; match two, 20 shots kneeling; match three, 20 shots standing; match four, 20 shots prone; match five, 20 shots kneeling; match six, 20 shots standing; match seven, 20 shots prone; match eight, 20 shots kneeling; match nine, 20 shots standing; match ten, 20 shots prone.

"I couldn't have stolen 100 bases if I didn't have Jim O'Brien batting behind me," or hitters like Tommy Davis and Frank Howard, pitcher, or our team pitcher holding the other team," Willis said.

"But most of all I couldn't have done it if my skipper (Manager Walt Alston) hadn't given me the green light," he added. "I knew if I failed I'd get another chance."

Alston told the 550 persons at the Eagles' award dinner that Willis was a "great team player" who "gave the job by himself."

The manager said that Willis was "one of the few players who didn't blow the pennant last season when the Dodgers were overtaken by San Francisco and then were defeated by the Giants in a playoff."

"I hope I have a few more years with the Dodgers and determination this young fellow has and we'll have a pretty good ball club," Alston added.

Australian swimmer star Dawn Fraser, voted the Female athlete of the Year in the AP poll, was unable to attend. She will receive her trophy later.

The Eagles also honored Mrs. George Herman Ruth, widow of baseball's immortal Babe, and Robert Madore, a Cuban who fled the Castro regime and now is vice president and general manager of Jacksonville in the International League.

Each received an International Ruth-Gehrig plaque in recognition of continuing contributions to baseball, to youth and to human welfare.

Rodriguez Sparks CARACAS, Venezuela, Feb. 8.—Luis Rodriguez doubled in the 10th inning Thursday night as Valencia won the national baseball championship with a 3-0 victory over Napoles.

Idaho to Accept

MOSCOW, Feb. 8.—The University of Idaho basketball team plans to accept an offer to play in one of the major winter holiday tournaments next season.

The Vandals received a formal invitation Thursday to take part in the 28th annual Oklahoma City All-College tournament, from the sponsor of the three-day affair Dec. 26-28.

"It's an 'appearance' in the Oklahoma City tournament in 1963, Idaho finished second, losing by two points in the finals to Oklahoma A. and M."

Idaho will be tough, particularly at home," noted Belko, "but we won against pretty big odds at Berkeley."

The Duck coach also noted that reserve forward Ron Hanson was in line for more extensive duties after a solid relief effort in the second California game.

Hanson, incidentally, was a teammate of Johnson's last year at Boise Junior college.

In an earlier series at Eugene the Ducks swept both games, a memory the Webfoots would like to erase this week-end.

Surgeon Says He Treated Floyd's Back

DANBURY, Conn., Feb. 8.—A Danbury orthopedic surgeon has disclosed he treated Floyd Patterson for a back trouble just before the boxer resumed his heavyweight title from Tom Poston on June 2, 1962.

The Danbury News-Times Thursday reported that Patterson had been treated in late January for a muscular disorder in the lower back. It had been a well kept secret.

What brought the subject now was a report Monday, followed by a denial, that the champion had suffered a fall recently at Highland Mills, N.Y., where he was training for a rematch with heavyweight champion Sonny Liston.

Dr. William Simon of Danbury said Patterson, who was training at nearby Newburgh, had fallen on his back on May 27, 1960, complaining of pain in his arm. During treatment for the arm condition, Patterson also complained of back pain, he said.

Simon said, of trouble in the lower back.

Simon said he treated Patterson for a back condition, but he primarily was concerned with the fall. Patterson visited him on four dates in May and June 1960.

Association Raps U.S. Fish Parties

MONTREAL, Feb. 8.—The Atlantic salmon association objected to the practice of the United States fishing parties in Canadian waters where they catch more than the legal limit of fish before returning home.

"It's something this association should take up with the authorities in Ottawa and Washington—and press the point," Denis Givens, president of the association, said Wednesday night.

More than 100 members of the 2,000 members in Canada and the United States are attending the 1963 annual meeting.

The point was raised by Rev. Robert Bryan, a member from Connecticut.

"Maine catches a lot of fish, but they don't bring it back to Canada, so they don't consider it their territory," he said.

Idaho to Accept

MOSCOW, Feb. 8.—The University of Idaho basketball team plans to accept an offer to play in one of the major winter holiday tournaments next season.

The Vandals received a formal invitation Thursday to take part in the 28th annual Oklahoma City All-College tournament, from the sponsor of the three-day affair Dec. 26-28.

Damsiters Manage 38-37 Victory in Overtime in Gooding Outlaw Tourney

GOODING, Feb. 8.—The American Falls Damsiters, managed to overcome the Circle Bar outlaws in a 38-37 decision played in overtime at the Gooding Outlaw Tourney on its second day of competition. Twin Falls's Valley Nursing Home racked up its second win by managing to outlast the Wendell Genstaters 47-15. Faux Cigar played down a threatening Bertha five to the tune of 47-42 in the only other close game of the day.

Nicklaus Shares Lead In Phoenix Tourney

PHOENIX, Ariz., Feb. 8 (AP)—National open champion Jack Nicklaus and Jay Hebert led the \$35,000 Phoenix open golf tournament by a skippy stroke after shooting the first round in five-under-par 68 Thursday. Right on their heels at 68 were Arnold Palmer, seeking his third Phoenix title, Jimmy Clark, Bob Harris, Tommy Aaron and veterans Julius Boren and Caryl Middle-

off. The others were punched after stroke back as more than one-third of the 164-men field returned the 72 par of the first 18-hole Arizona country club. But for last hole trouble, Nicklaus or the man he best in the Palm Springs title playoff Monday. Player could have taken the lead alone. Player drove into a tree on the 18th, preventing him from reaching the green in two. He had a chance for a birdie but missed a four-foot putt. Nicklaus played the back nine first and turned 5 under, six strokes better than the rest of the field. He missed the hole, clipped long and took a 4. Bora lost a chance to tie for lead when he drove to the hole on the 18th. He missed the hole, clipped long and took a 4. Bora lost a chance to tie for lead when he drove to the hole on the 18th. He missed the hole, clipped long and took a 4.

North Texas Hits Tulsa 65-60

OKLAHOMA CITY, Feb. 8 (AP)—North Texas State hit 63 per cent of its field goal attempts Thursday night and whipped Tulsa 65-60, climbing into fourth place in the Missouri Valley conference basketball standings. The victory gave North Texas a 2-3 conference record and its third highest conference point total in six years as a member of the league.

John Savage hit seven of 10 field goals and Carl Miller scored 19 to finish as top scorer for Tulsa with 15 points each. Bill Kunkeltopped Tulsa's scorers with 15.

Tulsa jumped to a 12-5 lead in the minutes before the Eagles started hitting and pulled away to 37-25 at the half.

North Texas had a 59-48 margin at the end of the first half and elected to start the rest of the way without going for a field goal. The Eagles hit 31 per cent from the free throw line.

The loss gave Tulsa a 2-5 conference mark and dropped it to sixth place.

SPORTS

NICKLAUS BLASTS OUT of trouble leading to the 18th green in the first round of the \$35,000 Phoenix Open golf tournament Thursday. He one-upped the 18th for a birdie-four. Nicklaus finished the first round in five-under-par 67 to share first place in the 72-hole tourney with Gary Player and Jay Hebert. (AP wirephoto)

Cazzetta Kicked Off Seattle Staff; Markey Takes Over Job

SEATTLE, Feb. 8 (AP)—Clair Markey, 26, was named interim coach of the Seattle university basketball team Thursday to fill out the season for Vince Cazzetta, who resigned Wednesday. Cazzetta, complaining of interference by athletic director Eddie O'Brien, had made his resignation effective at the close of the season. He was advised Thursday, however, that he was relieved immediately of all connections with the university, although his salary would be paid to the close of the school year.

Killebrew Becomes Highest Paid Twin

ST. PAUL-MINNEAPOLIS, Feb. 8 (AP)—Idaho's husky Harmon Killebrew, the Minnesota Twins' battering outfielder who was the American league's homerun RBI king last year, agreed Thursday on a 1963 contract for a reported \$40,000 to \$45,000. Figures were not released.

Royals Roll by San Francisco

CINCINNATI, Feb. 8 (AP)—Will Chamberlain outscored Oscar Robertson 58-53 but the Cincinnati Royals still rolled up to a 134-129 victory over San Francisco in a National Basketball Association game Thursday night.

Robertson got the Royals ahead, 6-4, with a field goal 10 minutes and 40 seconds before the first foul shot. The Warriors never caught up. By the end of the period, the Royals were leading by 11 points and they built their advantage to 21 in the third quarter before Chamberlain started getting hot.

Will the Silk scored only 10 points during the intermission. He made 10 in the last 10 minutes of the third quarter and continued at a torrid pace through the final period.

Robertson kept pouring in Cincinnati baskets at a steady rate, but the hero of the last minutes of the game was Adrian Smith, who scored 11 of his 21 points in the final quarter for the league lead.

IOC Board Bars Indonesia From Further Olympics

LAUSANNE, Switzerland, Feb. 8 (AP)—Indonesia was barred from the Olympic games Thursday for an indefinite period by the executive board of the International Olympic Committee. The decision was announced by IOC President Avery Brundage following a seven-hour meeting here.

The suspension came after the board heard reports on last year's Asian games in Jakarta, from which athletes of Israel and Netherlands clubs were barred.

The decision will be reviewed by the National Olympic committee of Indonesia gives guarantees that there will be no further political discrimination in sports.

Brundage said it was the first time that a national Olympic committee has been expelled from membership.

Sitting in at the meeting was Indonesian member Guntur Dauli, who during the Asian games was mobbed by angry Indonesians and eventually had to flee the stadium.

He had tried in vain to convince Indonesian authorities to let the Israelis and Formosan athletes enter the country.

Brundage described the events in Jakarta as "scandalous" and said the decision was final and would not require ratification by the IOC congress scheduled for Oct. 17-19 at Nairobi, Kenya.

One other IOC member, who refused to be quoted, said he expected Indonesian delegates to show up in Nairobi with the required guarantees to prevent political discrimination in sports.

The IOC congress in Tokyo and Japan.

Lausanne, Switzerland, said the IOC congress would strengthen the supporting role of the federal government in the Olympic movement.

The bill, which would permit federal authorities to investigate and prosecute athletes and officials suspected of bribery or doping.

A similar measure has been introduced in the house by Rep. William M. McCulloch, R., O.
